Have your say

Help shape family support in your community

We're inviting young people, parents, carers, families and stakeholders to help shape family support in BCP. Please complete our surveys to share your experiences of Early Help, Family Hubs and Youth Hubs. We want to know how easy support is to access, whether services work well together, and if they meet community needs. Your feedback will help us improve. All responses are confidential.

Scan the QR code to take part

haveyoursay.bcpcouncil.gov.uk/**early-help-survey** Closing date: **30 September**

Support is available with helping complete the surveys in Family Hubs and paper copies are available on request in libraries and Family Hubs.
